UNITED STATES PATENT OFFICE

97,174

DESIGN FOR A FOUNTAIN PEN OR SIMILAR WRITING IMPLEMENT

Andreas Bienenstein, Toledo, Ohio, assignor to
The Conklin Pen Company, Toledo, Ohio, a
corporation of Ohio

Application August 19, 1935, Serial No. 58,198

Term of patent 7 years

To all whom it may concern:

Be it known that I, Andreas Bienenstein, a citizen of the United States and resident of Toledo, in the county of Lucas and State of Ohio, have invented a new, original, and ornamental Design for a Fountain Pen or Similar Writing Implement, of which the following is a specification, reference being had therein to the accompanying drawing, forming a part thereof, wherein

Figure 1 is an elevational view of a fountain pen showing my new design with the cap removed from the penpoint end and applied to the other end; and

Figure 2 is a similar view with the cap applied to the penpoint end.

In the drawing the stippled portion indicates a

portion of contrasting shade or appearance to the unstippled portions.

The dominant feature of my design is the ornamentation appearing on the article.

It is understood that my design may be embodied in such articles as fountain pens, pencils, and combination fountain pens and pencils, without departing from the spirit of the invention.

I claim:

The ornamental design for a fountain pen or similar writing implement, substantially as shown and described.

In testimony whereof I have hereunto signed my name to this specification.

ANDREAS BIENENSTEIN.
